

ACADEMIC GRAND ROUNDS*

Marie Abraham, MA

Senior Policy and Program Specialist,
Institute for Family-Centered Care

Also featuring: **Don Sullivan and Ron Whitcomb**
Peer Facilitators, OPERATION VET 2 VET
Providence VA Medical Center

**“Promoting Partnerships to Advance Patient-and Family
Centered Care”**

Wednesday, March 3, 2010

Butler Hospital ◇ Ray Hall Conference Center ◇ 11:00 am - 12:30 pm

Objectives:

At the conclusion of this presentation, participants should be able to: discuss the core concepts of patient- and family-centered care; increase their understanding of at least two key drivers that support advancing patient- and family-centered care; explore the Recovery Model as it represents an exemplary model of patient- and family centered care; critically consider how partnerships with patients (clients, veterans) and families have been operationalized at specific organizations; and reflect on importance of having opportunities to learn directly from veterans (patients, clients, and families).
