

## **Academic Grand Rounds\***

### ***Tardive Dyskinesia: An Interdisciplinary Perspective***

#### **Joseph H. Friedman, MD**

Professor (Clinical), Neurology  
Alpert Medical School of Brown University  
Director, Movement Disorders Program  
Butler Hospital

And

#### **Lawrence H. Price, MD**

Professor, Psychiatry and Human Behavior  
Alpert Medical School of Brown University  
Clinical Director and Director of Research  
Butler Hospital

**Wednesday, February 1, 2012**

**Butler Hospital ♦ Ray Hall Conference Center ♦ 11:00 am - 12:30 pm**

Objectives: At the conclusion of this presentation, participants should be able to: describe the history of spontaneous and drug-induced neuromotor abnormalities in schizophrenia; discuss the most common clinical presentations of tardive dyskinesia; critically consider the current epidemiology of tardive dyskinesia; and review the evidence concerning the relative risk of tardive dyskinesia with first- and second-generation antipsychotics.
